

STUDIO 180 DANCE POLICIES

The following guidelines are designed to help our students attain the highest benefits from their classes and to eliminate misunderstanding among parents, students and instructors.

1. Placement of a student in a division or class is governed by the individual's potential and technical proficiency not necessarily by age or length of training.
2. Promptness and regular attendance are important in aiding your child's progress. No refunds will be given for unattended classes, vacations or holidays.
3. Students are to wear the uniform designated for that particular class. For ballet classes, hair must be worn up and secured in a bun. For all other styles of dance, hair must be in a pony tail and away from the face. Students will not be permitted to participate in class unless properly attired; however, they must stay and watch to keep from getting behind in lessons.
4. Stud earrings are the ONLY jewelry allowed in the classroom. No other kind of jewelry will be allowed.
5. Instructors have the right to discipline unruly students. Students that are disrespectful or acting out during class will be asked to report to the office. For a second offence, the parents will be called for a conference with the instructor. If inappropriate behavior continues, the studio reserves the right to refuse the student back into class.
6. Please put your child's name in all dance supplies: tote bag, shoes, leotard etc.
7. There will be a 'Bring a Friend Day' in the fall, date TBA. There will be a 'Visitors Day' in the spring, date TBA, during which parents and family members are invited to observe class.
8. Our Annual Recital is held the last week-end of May. Because dance is a performing art, participation in the Recital is mandatory for all classes.
9. For reasons of safety, students must remain in the waiting room for their rides and are not permitted to wait outside or in parking areas. **Students must be in street clothing or wear dance cover-ups when entering and exiting the building, not in their class attire. This is for the student's safety.** Parents are asked not to allow children to play in the parking lots or outside the building. Please contact the office to let us know if you are having your child picked up by someone other than yourself.
10. Chewing gum is absolutely not tolerated in the studios. Drinks are also not permitted in the studios.

We are always delighted to speak with you about your child's progress. However, under no circumstances will this be done during or between classes. Please contact the office for an appointment (423-353-1340). Thank you for your cooperation in these matters.
